Recheck Reply - Benno von BRAITENBURG ()

REF: VOB 1171, 10 July 53

1. A check of Salzburg CID and Det. 35 files revealed no traces on Subject.

2. USFA G-2 file card reports that one Benno von BRAITENBURG, born 29 August 1896, was a member of the SS. His residence was Verona, Italy until April 1945. His last known address was Salzburg, where he was employed by the Polizei Direktion.

3. The answer to para 2 of VIM 4505 (as to whether Subject was employed by the American Intelligence) can be found in VOB files under FULL 4823, DIR 38080, and BOQW 4120.

4. Salzburg CIC file Austria US Zone 324, dated August and September 1949, reports that one Dr. Benno von BRAITENBURG wrote a manuscript titled "Der Auftraggeber in der Gegenspionage." He turned the document over to CIC who translated it for their purposes and returned it. There does not seem to be any professional connection between the CIC and Subject; the exchange of the manuscript was probably a purely scholastic move.
